BTW, I do have a CD version of the "Final Combined Prospectus Petersen Ranch Mitigation Bank" dated August 15, 2013 that was sent by WRA. Is this the same as the one that went out on PN or have there been revisions?

Thanks,

Paul

Mailing Lists: General; Los Angeles County; Ventura County; Kern County; San Bernardino County

Comment Period: December 13, 2013 to January 12, 2014

The Corps Regulatory Division is soliciting comments from the public, Federal, state, and local agencies and officials, American Indian tribes, and other interested parties for consideration and evaluation of the impacts of this proposed activity. Instructions for commenting on the Public Notice are included in the Notice available at the above link.

The Corps Regulatory Program evaluates permit applications for most construction activities that occur in the nation's lakes, rivers, streams, oceans, and wetlands. Written comments received during the public review period will be considered by the Corps and will become part of the administrative record for the decision.

You may contact Brianne McGuffie, Project Manager at 213-452-3419 or via email at Brianne.E.McGuffie@usace.army.mil with any questions or comments regarding this matter. For information on how to comment on this proposed action, please see the Public Notice.

You may also see a list of Final Regulatory Actions at the link below. On the left side menu, click on Final Regulatory Actions: <http://www.spl.usace.army.mil/Missions/Regulatory.aspx>

Regulatory Program Goals:

- To provide strong protection of the nation's aquatic environment, including wetlands.
- To ensure the Corps provides the regulated public with fair and reasonable decisions.
- To enhance the efficiency of the Corps' administration of its regulatory program.
